Sponsorship Information

WHY SPONSOR?

- An **annual mathematics competition** for **middle schoolers** hosted by students from Phillips Academy in Andover, Massachusetts
- Gathered **1000+ competitors** from **25+ states** and **4+ countries** in 2021, **800+** online and **80+** in person competitors in 2022
- Provides competitors with an opportunity to learn problem solving strategies from **an experienced panel** of speakers
- Allows novices to **gain real world experience** while solving fun problems
- Fosters a **lifelong passion** for mathematics

1

Brand Perception

Boost your company's brand perception with **promotional speaking** during our competition and logos on our website, t-shirts, and marketing material.

2

Make an Impact

Provide middle schoolers of **diverse demographics** an opportunity to explore and develop their passion for mathematics.

3

Interact with the Next Generation

The MOAA provides companies the next opportunity to interact with the **future generation of mathematicians**. Over the past 5 years, 8 of our top competitors have been invited to MOP, and dozens of others have qualified for competitions such as USA(J)MO and AIME. Many past competitors are also now attending Phillips Academy!

SPONSORSHIP TIERS

The MOAA depends on its sponsors to provide amazing prizes to competitors. Whether it be awesome company swag (t-shirts, water bottles, bags, pens, books, etc.), company discount (subscriptions, classes, credit, etc.), or any other sort of prize, the MOAA is greatly appreciative of any contribution.

Thus, the MOAA **accepts payment in the form of prizes**, as to not increase the actual price of sponsoring the MOAA. If you have any questions, please don't hesitate to contact us at director@andovermathopen.com or vzhang25@andover.edu.
